

August 31, 2025

Ladies and Gentlemen:

This is to certify that Mr. Karim Sherry was employed at Beyond Silicon Solutions (BSS) as Embedded Software Engineer from 1st of May 2024 till 31st of August 2025.

Mr. Karim Sherry worked on the development of multiple electronics products and was a key Software developer of these products and expert in high-speed circuit design.

BSS offers turnkey solutions that will take a concept from customer requirements to fully developed products ready for deployment. BSS stands ready for any new requirements or field support issues. With a vision centered around quality and efficiency, BSS offers a design services house with a team of 20 Principal Electrical and Electronics Engineers providing services in circuit design, Software, Firmware and testing.

Sincerely,

Dr. Jihad M Boura
Founder, and CEO
